

British Masters Ski Club

31st Jan – 2nd Feb 2020

Châtel

France

Dear Masters

Welcome to the 32nd year of the British Masters FMC, which we are delighted to be holding in Châtel, France and we are very pleased to again be working with Ski Club Chatel.

This year's dates are 31st January to 2nd February 2020.

We have a packed 3 day race program,

Super G on the Friday, 2 run Slalom on Saturday, single run GS on Sunday and an Alpine Combined over the Friday and Saturday which potentially gives 5 separate point counting races.

The race stade team in Châtel are looking forward to preparing the dedicated La Linga piste and it should be in pristine condition for our Masters' races. We will update you on piste conditions as we get nearer to the event.

All that remains, is for us to say have an excellent festive season wherever you are, keep training, book your accommodation in Chatel now and we look forward to seeing you in 2020.

With our best wishes,

British Masters Ski Club
