

COVID-19 Health, Safety and Testing Protocol

The protocol has been drawn up in accordance with the FIS guideline and Russian State agency for Health and Consumer rights protection (Rospotrebnadzor)

HEALTH PROTOCOL AND HYGIENE

1. **Wearing the mouth and nose protector (face mask)** is obligatory on the entire event side, in the rest rooms, using all type of transfers, cars, buses, gondolas, chair lifts, in the common areas of the hotel with the exception for the mealtimes and for the training/competition.
2. **Staying in a city please follow the rules of the social distancing (2 meters)**, do not use the public transport and try to avoid the shopping centers visiting.
3. **Regular hand hygiene with skin antiseptics** is necessary.
4. All the participants, judges, organizers and other persons at the entrance to the Venue as well as accommodation area, will **undergo the thermometry procedure** by noncontact means.

TESTING PROTOCOL

To board on the plane to Russia all the foreign citizens are obliged to provide a printed medical document (in English or Russian) confirming the negative PCR test result for COVID-19 which was made **not later than 72 hours prior their arrival** in Russia.

The results must appear in one's FIS passport 12 hours before the accreditation retrieval area opens for the race sanitary bubble so that the COVID-19 medical coordinator can review them. Fill out the FIS questionnaire. To process your FIS passport: <https://fispassport.fis-ski.com/fis/>.

The previously infected person is allowed to join the competition after 14 days quarantine completed. They needed to upload a new PCR test (not older than 72h) to the FIS passport.

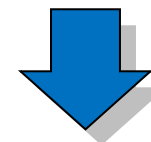

Important! It is not allowed to provide a test result of the absence of COVID-19 with a serological blood test for antibodies.

The document may also be issued in the official language of the country with a notarized Russian translation in the Consular of Russian Federation.

Please note, that **the document must be printed out**. SMS or any other forms on a mobile device will not be accepted on the border.

ACTION PROTOCOL IN CASE OF COVID RELATED SYMPTOMS

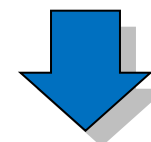

All the participants, judges, Media, FIS representatives and other officials will **undergo the thermometry procedure by non contacts means.**

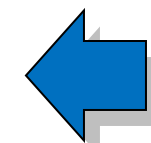

In there is person running high temperature (norm fever till 37.1 -37.2) information about this case will be passed over to the LOC COVID coordinator, the person will **undergo the thermometry for the second time** either at the venue medical room or by the Competition doctor.

If the second thermometry will show the high temperature, the person is advised to **take a control PCR test** at his own expense at one of the licensed express laboratory in Krasnoyarsk*.

If the control test shows a positive COVID-19 result, the person will be **isolated in a separate room in the hotel** and emergency team will be called to **take the person to the Clinic**. The extra expenses for the lodging in case of isolation will be covered by the team representatives.

** For all period of event the Organizing Committee provides assistance and necessary information for COVID-19 testing. For these purposes, a dedicated room with specially trained medical personnel will be provided, at the sports venue and in the places of accommodation (referral for the testing you can get at the Inforamation desks).*

The estimated cost of testing will be 13-15 Euros (1200 RUR).
