Information for International Teams

Dear International Teams,

Please read carefully the following pages regarding Customs and Boarder information for entering the United States as well as Covid-19 event guidelines based on FIS requirements.

For information regarding Covid-19 please contact DeerValleyC19@gmail.com.

Entry to the United States

All foreign travelers entering the U.S. must have a negative COVID-19 test and result 24 hours prior to getting on a plane to travel to the U.S.

All foreign travelers entering the U.S. must be vaccinated as outlined below

1. Everyone who is **fully vaccinated** is able to travel to the USA starting on Nov. 8 without a waiver. Note that ESTA or visa is required as in the past depending on the traveler's nationality.
 - a. You are considered fully vaccinated:
 - i. 2 weeks (14 days) after an accepted single-dose COVID-19 vaccine
 - ii. 2 weeks (14 days) after your second dose of an accepted 2-dose series
 - iii. 2 weeks (14 days) after you received the full series of an active (not placebo) COVID-19 vaccine in the U.S.-based AstraZeneca or Novavax COVID-19 vaccine trials
 - iv. 2 weeks (14 days) after you received 2 doses of any "mix-and-match" combination of accepted COVID-19 vaccines administered at least 17 days apart
 - b. If you don't meet the above requirements, you are NOT fully vaccinated.
 - c. **Accepted vaccines:** Janssen/J&J, Pfizer-BioNTech, Moderna, AstraZeneca, Covishield, BIBP/Sinopharm, Sinovac
2. Accepted exceptions to full vaccination:
 - b. Persons with documented medical contraindications to receiving a COVID-19 vaccine: <https://www.cdc.gov/vaccines/covid-19/clinical-considerations/covid-19-vaccines-us.html#Contraindications>
 - c. Persons with valid visas [excluding B-1 (business) or B-2 (tourism) visas] who are citizens of a foreign country with limited COVID-19 vaccine availability: https://www.cdc.gov/quarantine/order-safe-travel/technical-instructions.html#anchor_1635183089047
 - d. Other exceptions: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/proof-of-vaccination.html#noncitizen>

Vaccines not listed above are not accepted.

Previous infection with partial or no vaccination is not accepted.

COVID-19 International Team Guidelines and Recommendations

General information

- Sign up for the [FIS Passport](#)
- No participants should travel if they are experiencing symptoms.
- Sanitize, wear your mask and limit interactions outside your team.
- The state of Utah has no Covid-19 restrictions, however the event requests international teams limit exposure as much as possible.

Important information prior to arriving

- All teams must sign up and upload all required information to the [FIS Passport](#) by **January 2, 2022**. Any issues please contact c19support@fiski.com.
- Per FIS requirements all international teams need a 72-hour PCR **test and result** from official arrival date –
 - Aerials - 72 hours prior to January 8, 2022.
 - Moguls – 72 hours prior to January 10, 2022.
 - All results need to be uploaded into the FIS passport.
- The only exemption from testing requirement is if you have had a positive Covid test between 11-90 days of official arrival day. This also needs to be uploaded into the FIS passport. However, please check with your airline before departing to confirm entry to the United States with no test.
- Proof of negative COVID-19 test is required to pick up accreditation.

While at the venue

- Wear a face mask in public, please note everyone **is required to wear masks while inside on Deer Valley Resort property.**
- Fill out and upload daily health screening in the [FIS Passport](#)
- Please avoid contact with the local organizing committee, tourists and fans and keep distances between those outside of your team.
- Coaches and teams will be allotted and area to stand which is separated from public.

Official event meetings

- All official event meetings will be held online.

Accommodation

- Depending on which hotel you are at, some may be open to public, some may not. Please note that the state of Utah has no COVID-19 restrictions and any policy put in place is dependent on the private business.

Meals

- Meals will be held independent from public and tables will be separated by country.
