

Hygiene protocol FIS European Cup

For the "FIS Snowboard EC " event from December 10th – 12th, 2021 at the Göttschen ski lifts in Bischofswiesen by Snowboard Germany due to the legal regulations when carrying out an event. Operators and organizers communicate the need to comply with the safety measures. An adaptation of the [general hygiene concept](#) from Snowboard Germany. In addition, the hygiene and distance rules of the mountain resort must be observed.

I. General regulations and information

1. People with unspecific general symptoms and respiratory symptoms of any severity are not allowed to attend the event
2. Entry to the location is only possible for people who have been **vaccinated** or **recovered** and also have a **test certificate** (PoC antigen test performed no more than 24 hours ago/PCR test, PoC-PCR test that was carried out a maximum of 48 hours ago).

Definition for vaccinated and recovered persons:

- persons, who have been vaccinated twice with a vaccine approved in the EU, from day 15 after the 2nd vaccination
- People who were verifiably infected with SARS-CoV-2 within the past 6 months and who have fully recovered (at least 28 days after positive testing)
- People who were verifiably infected with the SARS-CoV-2 pathogen in the past (more than six months ago), have fully recovered and were later vaccinated once with an EU-approved vaccine against Covid 19, from the day after Vaccination.

II. General hygiene rules

1. Comply with distance rules or mask requirement if the distance rule cannot be adhered to,
2. Compliance with the cough / sneeze etiquette (sneezing and coughing in the elbows),
3. Regular hand washing and hand disinfection,

III. FFP2 Mask requirement

FFP2 mask requirements apply on the entire event site. Buffs or similar mouth and nose coverings are not sufficient and are not permitted.

IV. Athletes/Referees/Coaches

Trainers and supervisors must, if possible, always keep a distance of at least 1.5 meters from the athletes. The transfer of material takes place without contact through a defined pick-up and pick-up area. The minimum distance to the judges must be strictly observed. Shaking hands, clapping, hugging must be completely avoided in accordance with the distance regulations. All athletes are advised of compliance with "no contact"

V. Bibs

The start numbers are picked up by the trainers, the athletes keep them during the entire event. The handover of the starting numbers to the trainers is contactless.

VI. Prize Giving

The award ceremonies are carried out quickly and in compliance with the general rules of distance and hygiene. Interviews and large gatherings of people (group photos) are forbidden.

VII. Spectators

No spectators are allowed

VIII. Non-compliance

If the mentioned rules of the hygiene concept are not complied with, the trainer / course leader has the right to exclude the participant from a course / training / competition.
