Team Invitation

FIS and Europa Cup Slopestyle SnowWorld Landgraaf November 18 & 19 November 2021

1. General information

The FIS competition and Europa Cup Snowboard Slopestyle in SnowWorld Landgraaf will be held in a new set up, that aligns better with the current level of riding at our EC events. The rails will be located at the existing, but renewed and well maintained park. The kickers will be placed on Slope 1 and are lot bigger than in the past years.

As usual in Landgraaf, having these competitions on a limited event area calls for an adjusted format. It is therefore that riders will have separate runs on kickers and on rails.

Each rider will have two runs on the kickers and two runs on rails. The best score of each will be added together for a final result. This format will be used for both qualifications and finals.

The OC provides prize money with a total of € 3.500 to make these competitions even more interesting for teams to come to the Netherlands.

SnowWorld Landgraaf offers perfect conditions to start the season, as teams are welcome in the hotel gym (free of charge) in the same facility and numerous outdoor activities can be planned for extra training.

In the previous editions of the Europa Cup, we welcomed almost 100 athletes. Anticipating on that large amount, we will run the competitions with a double up judging format in order to make them run as smooth and quick as possible.

Training will be planned in heats, so each team will have a designated training time on the training days. The OC will, if the snow quality allows it, make sure there are several rails and jib features available outside of these training times.
