If you need any further assistance in planning your coming, please get in touch with our office at [contact@nordic-evenements.fr](mailto:contact@nordic-evenements.fr)

## Accommodation

Booking according to FIS rules via FIS online entry system.

**Due to a lack of hotels in the immediate vicinity of the stadium we offer rooms within 30 minutes drive. Attribution are on a "first come, first serve" basis according to the pre-entry date.**

All hotels are of a similar standard, therefore the price is standardized so all teams pay the same price.

Given the program and the distance from the stadium, booking in the hotels is made for half-board and lunch is organized on site for teams accommodated too far to be able to go back and forth. Each team will be notified individually when the accommodation proposition will be sent. Other teams can still request lunch at the stadium if they prefer.

## Accreditation

Season accreditations are valid for teams and NSA members. Teams are asked to confirm their needs for event accreditations for their members who don't have a season accreditation.

Accreditations and parking pass for the vehicle are to be picked-up at the race office upon arrival.

## Reimbursement & Prize money

**All payment will be done by bank transfer.**

The financial office is situated at the jumping hill, on the first floor of the rotunda. Opening times on Friday after the training, Saturday morning before the ski jumping competition and after the cross-country race.

Accommodation costs will be paid directly to the OC at the finances office.

Travel costs/reimbursement : teams will be presented with an invoice summarizing the accommodation costs, quotas reimbursements and travel money. In case of reimbursement, teams must provide their bank information to the OC through the FIS form.

Prize money : each athlete is responsible for providing his/her bank information to the OC through the FIS.

## Waxing facilities

Wax cabins are available from 17th January 2023 at 14:00. A deposit of 50€ per key is requested.

Teams arriving with waxing trucks have to inform the OC before December 5th 2022 of their needs.

## Medical Service

In case of emergency outside the stadium, public emergency number is 112 (European Emergency number).

At the venue, a doctor is present during the whole competitions at the first aid station, next to the teams compound. The number for this station will be communicated to the teams upon arrival on site.
